

Everyday

The Rasmus

We get along it's like magic has come between us
We did it all first and now everybody's
gotta learn to survive
gotta learn to stay alive
Now you say you just needed to stay away
Now you say that you are bolwing yourself away
I know well what you mean when you tell me
We're running out of credit

Everyday I will see you anyway
And I wanna do something about it (2x)

We recognize the lies nothing can stop us now
we had a blast with most redicilous stories
Laughing's keeping us alive, yeah
And you know that's not a lie
Now you say don't even smile if you follow me
I see your'e not joking for the first time
I know well what you mean when you tell me
Wer'e running out of credit

Everyday I will...

I know well that the time has come when
everythings been said and done, well
maybe we still shouldn't give up oh yeah

Respect the fidelity

Everyday I will
