Everyday

The Rasmus

We get along it's like magig has come between us We did it all first and now everybody's gotta learn to survive gotta learn to stay alive Now you say you just needed to stay away Now you say that you are bolwing yourself away I know well what you mean when you tell me We're running out of credit

Everyday I will see you anyway And I wanna do something about it (2x)

We recognize the lies nothing can stop us now we had a blast with most redicilous stories Laughing's keeping us alive, yeah And you know that's not a lie Now you say don't even smile if you follow me I see your'e not joking for the first time I know well what you mean when you tell me Wer'e running out of credit

Everyday I will...

I know well that the time has come when everythings been said and done, well maybe we still shouldn't give up oh yeah

Respect the fidelity

Everyday I will
