The Rasmus

Well anyway it's a long story  
She's been waiting for so long  
Still got the songs in her mind and the autograph on the photograph

She's got a past full of secrets  
She's got a clock in her feelings  
Back from the days when she used to have wings

She had a dream full of anger  
She had a dream full af action  
Afraid to get old she feels so cold, such a typical reaction

Oh yeah, oh yeah, she wanted to be a heartbreaker  
Oh yeah, she was so greedy but a lousy lovmaker  
Oh yeah, oh yeah, she wanted to be a heartbreaker  
Oh yeah, yeah-eh-eh-eh

She used to be the queen of the scene  
She had the key but she lost it  
And nothing's gonna last and the time goes fast, she knows

She had a man but she messed it up again  
She had the chance but she blew it  
She's got a little babyboy in her womb, but she doesn't have a clue yet  
No, she doesn't have a clue yet

Oh yeah, oh yeah, she wanted to be a heartbreaker  
Oh yeah, she was so greedy but a lousy lovmaker  
Oh yeah, oh yeah, she wanted to be a heartbreaker  
Oh yeah, yeah-eh-eh-eh

Striking her down  
Crushing her to the ground

Heartbreaker  
Heartbreaker  
Heartbreaker  
Heartbreaker  
Heartbreaker  
Heartbreaker

Oh yeah, oh yeah, she wanted to be a heartbreaker  
Oh yeah, she was so greedy but a lousy lovmaker  
Oh yeah, oh yeah, she wanted to be a heartbreaker  
Oh yeah, yeah-eh-eh-eh

Well anyway it's a long story  
She's been waiting for so long  
Anyway it's a long story
