

Help Me Sing

The Rasmus

R: Is there anybody who can help me sing? (yeah)
Don't let me down I refuse to believe
that you're outdated by your friends Ooh
Don't let me down I refuse to believe you Ooh Ooh eehh

1. So you don't wanna make anyone feel
sorry for the girl who survives in the world
This time is not the same thing
cause we're not gonna leave the room before you talk
just open your mouth and let the words come out
Say goodbye to the devils inside you
I got myself to this mess cause I love you
ain't gonna give (it) up 'cos I love you so

R: Is there anybody...

2. Did you have a bad day yesterday, OK
You never complain 'n you never say no
never say yes yes yoo
You stand the pain like a man
and see what's inside you
Just like me every move that you make
What do you say I think we've got something to talk about
I got myself in this mess cause I love you
I ain't gonna give it up 'cos I love you so

R: Is there anybody...

3. When I thought it was me who's having a rough time,
I don't feel bad when I see you
Everybody goes down once in a while,
gives everything to the good
I got just open your mouth
'n let the words come out
'n say goodbye to the devils inside you
I got myself in this mess 'cos I love you
I ain't gonna give (it) up 'cos I love you so

R: Is there anybody...
