

# Help Me Sing

The Rasmus

R: Is there anybody who can help me sing? (yeah)  
Don't let me down I refuse to believe  
that you're outdated by your friends Ooh  
Don't let me down I refuse to believe you Ooh Ooh eehh

1. So you don't wanna make anyone feel  
sorry for the girl who survives in the world  
This time is not the same thing  
cause we're not gonna leave the room before you talk  
just open your mouth and let the words come out  
Say goodbye to the devils inside you  
I got myself to this mess cause I love you  
ain't gonna give (it) up 'cos I love you so

R: Is there anybody...

2. Did you have a bad day yesterday, OK  
You never complain 'n you never say no  
never say yes yes yoo  
You stand the pain like a man  
and see what's inside you  
Just like me every move that you make  
What do you say I think we've got something to talk about  
I got myself in this mess cause I love you  
I ain't gonna give it up 'cos I love you so

R: Is there anybody...

3. When I thought it was me who's having a rough time,  
I don't feel bad when I see you  
Everybody goes down once in a while,  
gives everything to the good  
I got just open your mouth  
'n let the words come out  
'n say goodbye to the devils inside you  
I got myself in this mess 'cos I love you  
I ain't gonna give (it) up 'cos I love you so

R: Is there anybody...
