

# Last Generation

The Rasmus

1. We stopped and left the car  
The last thing I can recall  
A raging wave of light  
Vaporized all this life  
And we ran into the field  
Incapable to breathe

R: Rest in peace it's all over now  
It's the end of salvation  
Memories in the photographs  
Of the last generation  
Of the last generation

2. I've seen this in my dream  
A petrified family  
Pointing hands at me  
Victims of the tragedy  
Dust replaced their souls  
Hearts turn into stones

R: Rest in peace...

Dust replaced their souls  
Hearts turn into stones

R: Rest in peace it's all over now  
It's the end of salvation  
Memories in the photographs  
Of the last generation

R: Rest in peace it's all over now  
It's the end of salvation  
Memories in the photographs  
Of the last generation  
Of the last generation
