

Man In The Street

The Rasmus

I spin around 'n find myself again
with a thought i'm just a man in the street
you check it out another look-a-like but he's not me
I know the places, I know the faces
'n I know the fact that the action is to go
I'm satisfied with the tempo of the night
oh can't you see
lights are blinking 'n I'm thinking
that I'm sinking into the groove of the night
you hang around with me and I'll let you know
things that we can do a place that we can go

When the world is in her hands
everything's complete
when the world is in her hands
it's everything I need
she loves you all the same
thought balck turns to white
oh yeah she's generating love

You don't have to answer
I'll find another dancer
a man in the street
to get your daily satisfaction
you got to be greedy
no time to settle down
no time to push myself around
I'm satisfied with the tempo of the night
oh can't you see
(let me say)
once again I've gotta feeling
that I'm dealing with the groove of the night
every move she does in generation love
it's in her vains, it's in her blood
(she's generating love)
