

No Fear

The Rasmus

1. Girl, You lived your life like a sleeping swan
Your time has come to go deeper
Girl, Final journey has just begun
Destiny chose the reaper

R: No fear Destination darkness
No fear Destination darkness
No fear

2. Girl, Rain falls down from the northern sky
Like poisoned knives with no mercy
Girl, Close your eyes for the one last time
Sleepless nights from here to eternity

R: No fear...
