

October & April

The Rasmus

She was like April Sky
sunrise in her eyes
child of light
shining star
Fire in her heart

Bright as day
melting snow
breaking through the chill
October & April

He was like frozen sky
In October night
Darkest cloud
Endless storm
Raining from his heart

Coldest snow
deepest thrill
Tearing down his will
October & April

(Chorus)
Like hate & love
World apart
This fatal love was like poison right from the start
Like light & dark
worlds apart
This fatal love was like poison right form the start

We were like loaded guns
Sacrificed our lives

We were like love undone
Craving to entwine

Fatal torch
final thrill
Love was bound to kill
October & April

(chorus 2x)

October & April
