

## Shame

The Rasmus

Talking about life, what it was 'n' what it's gonna be.  
Get ready for the best time.

He's a friend of mine born in the '79  
. 'n' there will be a day when he hears me when I say:  
hey, you better be thinking about your future.  
There will be a day when he hears me when I say:  
you're spoiling your life, you won't have another.  
You ain't thinking about your friends, do you hear me brother?  
I have just one thing to say to you:

SHAME! (SHAME!) You can't fool me,  
let me show that the whole thing sucks!  
SHAME! (SHAME!) You can't rule me,  
I'm saying no to the drugs!

Living is hard, sure I know,  
but yet if you listen to my rule number on,  
I bet positive attitude will carry you thru your life.  
Think it thru before you take your first high.  
One day you are a winner, next day you're a loser.  
Don't spoil your changes by being user.  
I have just another thing to say to you:  
You can't fool me! You can't fool me!  
I'm the king of the new generation?
