## The Rasmus

Understand that you're holding  
a bomb in your hands  
Take control  
Hand in hand with yourself from now on  
Take this advice  
Aim to the sky  
Aim to the skies above

Show me what you're made of  
I'm waiting for the answer  
Tell me what you're afraid of  
Show me what you're made of

[ahahahaha]  
I call out in my sleep  
[ahahahaha]  
I can't reach you and it's killing me  
[ahahahaha]  
I call out in my sleep  
[ahahahaha]

The sun is gone  
Days go on like a storm in the sea  
And the shore  
Is the loneliest place you can be  
Stay dry instead  
A moment ahead  
Aim to the skies above

Show me what you're made of  
I'm waiting for the answer  
Tell me what you're afraid of  
Show me what you're made of

[ahahahaha]  
I call out in my sleep  
[ahahahaha]  
I can't reach you and it's killing me  
[ahahahaha]  
I call out in my sleep  
[ahahahaha]

You say that you are not the same kid  
The one who used to be the weeper  
You say it's something deeper  
Something that you could not tame  
Something that would wake the sleeper  
You say, you say

I call out in my sleep  
[ahahahaha]  
I can't reach you and it's killing me  
[ahahahaha]  
I call out in my sleep  
[ahahahaha]  
I can't reach you and it's killing me  
[ahahahaha]

Call out, I can't reach you  
[ahahahaha]  
Calling out, reaching out  
[ahahahaha]
