

# The Fight

The Rasmus

Everything is still and calm  
In the dead of night  
Right before the fight  
Clouds are gathering for the storm  
Destiny decides  
Who will live or die

I've been waiting for this moment  
It's time for the battle  
Even if I never make it  
Take me home  
I may never get my story  
Carved in stone  
But I will rise again  
The fight is to the end

The pounding of the drums of war  
Turns your tears to mud  
Rivers turns to blood  
If you love to see another day  
To take another breathe  
Make it life or death

I've been waiting for this moment  
It's time for the battle  
Even if I never make it  
Take me home  
I may never get my story  
Carved in stone  
But I will rise again  
The fight is to the end

Give me strength to carry on  
Till my life is done

Everybody wants the glory  
But you better remember  
The fight is to the end  
The fight is to the end
