## Well Well

**The Rasmus** 

Here we go again, we ain't gonna bend to pretend it's a fight against the majority lipservice sucks, you know it sucks hate inside of me is breaking me, hurting me, killing me, burning me. We are still living we should party, yeah! Here we go again in the world of lie. Try to please everyone by being flexible this narrow atmosphere is, restcicting words you say hate inside of me is breaking me, hurting me, killing me, burning me. Well well you can allways tell it doesn't matter whether you hate or love me.
