

# Wonderman

The Rasmus

In my mind I always thought I was a different kind  
Cause back in time I used to think that everyone was blind  
They always call me as a loser, zero  
When I look into the mirror there's a superhero  
People thought that I would never amount to anything  
Dream away the thing my thoughts were different then  
Never could express myself to differ words right  
But I'm a different man when day turns to night

You think I'm crazy, that I've lost my senses  
The world will finally learn the truth

You.. you wouldn't understand  
cause you don't know who I am  
I'm the wonderman  
I'm gonna prove them wrong  
I'm gonna take a stand  
I'm the wonderman\*

Kind of shy, kind of timid, not a go getter  
Every night I roam the streets try to make it better  
Haters slow me up I never was bitter  
Always fighting for what's right, but I'm not a quitter  
When you step into my world you might not understand  
Everybody's acting crazy, getting out of hand  
I might bend the law a bit but I won't brake it  
Just make it easy for the underdogs that take it

You think I'm crazy, that I've lost my senses  
The will world finally learn the truth

You.. you wouldn't understand  
cause you don't know who I am  
I'm the wonderman  
I'm gonna prove them wrong  
I'm gonna take a stand  
I'm the wonderman\*

This my... my story, I'm not out of glory  
This my... my story, I'm not out of glory  
This my... my story, I'm not out of glory  
This my... my story, I'm not out of glory  
This my... my story, I'm not out of glory  
This my... my story, I'm not out of glory

You.. you wouldn't understand  
cause you don't know who I am  
I'm the wonderman  
I'm gonna prove them wrong  
I'm gonna take a steand  
I'm the wonderman
