

Brand New Key

Rasputina

I rode my bicycle past your window last night
I rollerskated to your door at daylight
It almost seems like you're avoiding me
I'm okay alone but you've got something I need

I've got a brand new pair of rollerskates
You got a brand new key
I think that we should get together and try them on to see

I've been lookin around awhile
you've got something for me
I've got a brand new pair of rollerskates
You got a brand new key

I ride my bike, I rollerskate don't drive no car
Don't go to fast, but I go pretty far
For somebody who don't drive, I've been all around the world
Some people say I done alright for a girl

I asked your mother if you were at home
She said yes, but you weren't alone
Oh, sometimes I think that you're avoiding me
I'm okay alone but you got something I need

I've got a brand new pair of rollerskates
You got a brand new key
I think that we should get together and try them on to see
Oh, I got a brand new pair of rollerskates
You've got a brand new key
