Brand New Key

Rasputina

I rode my bicycle past your window last night I rollerskated to your door at daylight It almost seems like you're avoiding me I'm okay alone but you've got something I need

I've got a brand new pair of rollerskates You got a brand new key I think that we should get together and try them on to see

I've been lookin around awhile you've got something for me I've got a brand new pair of rollerskates You got a brand new key

I ride my bike, I rollerskate don't drive no car Don't go to fast, but I go pretty far For somebody who don't drive, I've been all around the world Some people say I done alright for a girl

I asked your mother if you were at home She said yes, but you weren't alone Oh, sometimes I think that you're avoiding me I'm okay alone but you got something I need

I've got a brand new pair of rollerskates You got a brand new key I think that we should get together and try them on to see Oh, I got a brand new pair of rollerskates You've got a brand new key

This song was originally performed by Melanie Safka.
