

# This Little Piggy

Rasputina

This little piggy went to market  
This little piggy stayed home  
This little piggy had roast beef  
And this little piggy had none  
This piggy cried wee wee wee  
All the way home home home  
This piggy cried wee wee wee  
All the way home home home  
All the way home

Where oh where was the market  
What'd the piggies call home  
Who made the roast beef for the piggies  
And how come they're crying all alone  
This piggy cried wee wee wee  
All the way home home home  
This piggy cried wee wee wee  
All the way home  
All the way home home home  
All the way home home home  
All the way home home home

Barber, barber shave a pig  
How many hairs does it take to make a wig?  
Four and twenty should be enough  
Give the barber a pinch of snuff

This little piggy went to market  
This little piggy stayed home  
This little piggy had roast beef  
And this little piggy had none  
This little piggy cried and cried and cried  
Wee wee wee all the way home  
This little piggy went to market  
This little piggy stayed home  
This little piggy had roast beef  
And this little piggy had none  
This little piggy cried and cried and cried  
Wee wee wee  
Wee wee wee  
Wee wee wee all the way home

Wee wee wee all the way home

Wee wee wee all the way home
