

Dirty Rotten Games

Rat City Riot

Let's go!

I know what you're thinking, I know what you're thinking.
I'm just here to do what you say.
I know what you're thinking, I know what you're thinking.
Pretend he's not here, he'll go away.
I know what you're thinking, I know what you're thinking.
Twice as much work for minimum wage.
I know what you're thinking, I know what you're thinking.
Trying to get by living day by day.

Dirty rotten games they play.
The war from inside starts today.
Don't care about you, don't care what they say.
Close my eyes and look the other way.

Done your worst, knock me down every day.
I'll keep coming back, there's no choice to make.
Gotta get by, get even some way.
I'll be the one who ruins your day.
