Kitty, Kitty I love you, and you know to you I will be true, I look forward to the times when we can play, when she bites and claws me O, My Kitty, She went out to play but that was yesterday, she went out to the garden for a while, and she never came back She's Gone She's Gone She's Gone... and I'm all alone. Kitty, Kitty for her I fear the worst I dread to think just what could have happened to her I've looked all over, but no where can I find. hide nor hair of that pussycat of mine She's Gone She's Gone She's Gone ... and I'm all alone. I'm So Lonely {She coulda got hit by a car} I'm So Lonely {She coulda been killed by a dog} I'm So Lonely {Then maybee she's just out chasing rats} my pussycat ran away. She's Gone She's Gone She's Gone She's Gone ... and I'm all alone.
