

Sick Of Being Down

Ratcat

(S.DAY, A.POLIN)

Oh Baby baby, has the cat got your tongue?
Your sitting there so quiet,
what is going on?

Oh Baby baby, has the cat got your tounge?
Looking at me so quiet,
what have i done wrong?

I'm so sick and tired, of being down.
What a clown.

Rise little summer sunshine,
your're making me happy.

Wanna be happy,
gonna be happy.

Oh Baby baby, what's with all the frown?
Gotta keep that pretty face smiling,
sorrow knocked you round.

Oh Baby baby, what's with all the frown?
Gotta keep that pretty face smiling,
sorrow knocked you round.

I'm so sick and tired, of being down.

Rise little summer sunshine,
your're making me happy.

Wanna be happy,
gonna be happy..... :-)

Oh Baby baby, if the rain is falling down.
Gotta keep my head out of water,
head up not to drown.

Oh Baby baby, come blow me away.
Gotta keep my two feet on the ground,
gonna keep my head peddling the wind.
I'm so sick and tired, of being down.

Rise little summer sunshine,
you're making me happy..... *Smile*

Wanna be happy,
gonna be happy..... :-) (*2)

Wanna be happy, Gonna be Happy..
