

That Ain't Bad

Ratcat

They told me that you were really bad news.
They said you were no good for me.
They told me you were a bad bad person.
But you seem alright to me.

I love you

They told me you hung around with all the wrong people.
They said you were no good for me.
They said I should not even talk to you.
Oh now you seem alright to me.

I love you

They told that you lied.
They said you'd do something bad to me.
But I can't seem to see that side.
When, when you're holding on to me.

I love you,
and that ain't bad.
