

## As Good As It Gets

Ratt

And I'm looking for someone with a vengeance  
And I know you were looking too  
I think I found it in my sweet Melissa  
I'm gonna tell you what I'm gonna do  
Yeah she's my lover she's my friend  
You don't even come close to that  
Now I'm lookin for that invitation  
And if you're lucky you'll get yours too

You kinda like me and I like that  
You got me grinning like a cheshire cat  
The way you love me I wouldn't bet  
I'll tell you something it's as good as it gets

So you went looking for that wanted man  
And I know that I was part of the plan  
The way you love me I wouldn't bet  
I tell you honey it's as good as it gets  
She's like no other I can't pretend  
I'm gonna give her everything I can  
We slip and slide when I'm deep inside  
Come up for air gonna go for a ride

You kinda like me and I like that  
You got me grinning like a cheshire cat  
The way you love me I wouldn't bet  
I'll tell you something it's as good as it gets

You kinda like me and I like that  
You're like a train running off the tracks  
You always work me up to a sweat  
I tell you honey you're as good as it gets  
YEAH!

You kinda like me and I like that  
You got me grinning like a cheshire cat  
The way you love me I wouldn't bet  
I'll tell you something it's as good as it gets

You kinda like me and I like that  
You're like a train running off the tracks  
You always work me up to a sweat  
I tell you honey you're as good as it gets  
YEAH!
