

# Don't Bite the Hand That Feeds

Ratt

Bombs away  
Down in the city  
Somewhere  
You're a cruel survivor  
A little bit goes a long way  
So they say

You always want what you can't have

Like love  
I'm the one  
Well don't you bite the hand that feeds you  
If you want  
What I got  
Well don't you bite the hand that feeds you

Stealin' hearts  
And all your cheap talk  
Like Hell  
I wouldn't put it past you  
But sooner or later you'll pay  
That's okay

You always want what you can't get

Like love  
It ain't funny  
Well don't you bite the hand that feeds you  
You want money  
I'll tell you honey  
Well don't you bite the hand that feeds you

I'm a man with a strange appetite  
And I'll be takin' you home tonight  
If you can take the bed out of my head  
But you can't take away the fun  
So many times I still wonder why  
You tried to keep me in line, yeah

You can take the bed out of my head  
But you can't take away the fun

'Cause that's love  
I'm the one  
Don't you bite the hand that feeds you  
If you want, baby  
What I've got  
Well don't you bite the hand that feeds you

If you want (You want)  
What I got (I got)  
Well don't you bite the hand that feeds you  
Like love (Like love)  
I'm the one (I'm the one)  
Well don't you bite the hand that feeds you

Bite me

Oh yeah

Don't you bite the hand that feeds you
