

# Eat Me Up Alive

Ratt

Tell me all your secrets now  
As I lay you on the bed.  
Make me believe in miracles  
As I ring inside your head.  
A man of silver notion  
On your underlying bet.  
Makes you feel the victim  
In your one master plan.

Wait till you see what I've found.  
So won't you take me,  
Eat me up alive.  
Make me feel your energy  
And take me if you try.  
Take me to the other side,  
Make me feel your energy  
And eat me up alive.

Wasting all of your energy.  
Why do you waste your breath?  
Nothing wrong with experience,  
You won't make a bet.  
Crying through your motions,  
Now that's all you're gonna get.  
Come a little closer,  
Was it something that I said?

Wait till you see what I've found.  
So come on now.  
Take me, eat me up alive.  
Make me feel your energy  
And take me if you try.  
Take me to the other side,  
Make me feel your energy  
And eat me up alive.

Tired of all your lies.  
Put you down to size.  
What do you think of me?  
And you'll see.

Take me, eat me up alive.  
Make me feel your energy  
And take me if you try.  
Take me to the other side,  
Make me feel your energy  
And eat me up alive.

Take me, eat me up alive.  
Make me feel your energy  
And take me if you try.  
Take me to the other side,  
Make me feel your energy  
And eat me up alive.

Take me.
