

# Take a Big Bite

Ratt

Well oh yeah, well uh huh, Yeah!  
What do you get, when ya got nothing to loose  
Ya got an empty hat, with your alligator shoes  
You walk the thinnest line, ya make me loose in' my mind  
You make my heart send shivers, up and down my spine

Will you wait for me in line?  
If it's up to me I'm fine

(Take a big bite)  
Shake your ass, baby  
(Take a big bite)  
Ya been looking for a fight  
(Take a big bite)  
I got nothing more to give you  
So, Take a big bite

Ya got the silver spoons, with ya walking oh my  
Ya got the sinners swing, don't even know why  
Ya make the silver green, I think your mashing so tight  
When ya loan me your advice, ya make a grown man cry

Will you wait for me in line?  
If it's up to me I'm fine

(Take a big bite)  
Shake your ass, baby  
(Take a big bite)  
Ya been looking for a fight  
(Take a big bite)  
I got nothing more to give you  
So, take a big bite

Take it!

You're so sad

You're so bad

You're so sad

Well your mine tonight, YEAH!

(Take a big bite)  
Shake your ass, baby  
(Take a big bite)  
Ya been looking for a fight  
(Take a big bite)  
I got nothing more to give you  
Well your mine tonight
