

Take Me Home

Ratt

Just have a little patience.
Here's how the story goes.
I'll tell you a little something.
That's all you need to know.
Now's the time for me,
I've got to get away.
I wish you could stay.
I'll find another way.

Please take me home,
Just where I've ought to be.
No questions, no.
If you need me now,
A warm embrace.
Now we're here,
I'd rather take my place.

Another little secret
I thought you need to know.
You're always in my heart,
You're always in my soul.
Now's the time for me,
I got to make a play
And now I need your soul.
Just thought I'd let you know.

Please take me home,
Just where I've ought to be.
No questions, no.
If you need me now,
A warm embrace.
Now we're here,
I'd rather take my place.

Now's the time to hold you close.
To live your dreams and never let you go.
Take me home.
Take me home.
Take me...

Please take me home,
Just where I've ought to be.
No questions, no.
Please take me home,
Please take me home,
Just where I've ought to be.
No questions, no.

If you need me now,
A warm embrace.
Now we're here,
I'd rather take my place.
Now's the time to hold you close.
To live your dreams and never let you go.
