

It Only Hurts Me When I Cry

Raul Malo

The only time I feel the pain
Is in the sunshine or the rain
And I don't feel no hurt at all
Unless you count when teardrops fall
I tell the truth 'cept when I lie
It only hurts me when I cry

You couldn't tell it by this smile
But my recovery took a while
I worked for days and nights on end
Just to walk and talk again
You can't believe the time it takes
Yeah, to heal a heart once it breaks

The only time I feel the pain
Is in the sunshine or the rain
And I don't feel no hurt at all
Unless you count when teardrops fall
I tell the truth 'cept when I lie
It only hurts me when I cry

Oh, maybe every now and then
I have a small heartache again
You wouldn't know to look at me
Those tiny scars that you can't see
It was a struggle to survive
Yeah, I'm probably lucky I'm alive

The only time I feel the pain
Is in the sunshine or the rain
And I don't feel no hurt at all
Unless you count when teardrops fall

I tell the truth 'cept when I lie
It only hurts me when I cry
I tell the truth 'cept when I lie
It only hurts me when I cry
