

Secret Heart

Raul Malo

Secret heart, what are you made of?
What are you so afraid of?
Could it be three simple words
Or the fear of bein' overheard?
What's wrong?
Little man on your secret heart

Secret heart why so mysterious?
Why so sacred, why so serious?
Maybe you're just actin' tough
Maybe you're just not man enough
What's wrong?
Little man on your secret heart

This very secret
That you're tryin' to conceal
Is the very same one
That you're dyin' to reveal
Go tell her how you feel

Secret heart come out and share it
This loneliness, few can bear it
Could it have somethin' to do with
Admitting that you just can't go through it alone
Little man on your secret heart

This very secret
That you're tryin' to conceal
Is the very same one
That you're dyin' to reveal
Go tell her how you feel
This very secret
Go out and share it
This very secret
