

You're Only Lonely

Raul Malo

When the world is ready to fall on your little shoulders
And when you're feeling lonely and small
You need somebody there to hold you

You can call out my name
When you're only lonely
Now don't you ever be ashamed
You're only lonely

When you need somebody around on the nights that try you
Remember I was there when you were a queen
And I'll be the last one there beside you

So you can call out my name
When you're only lonely
Now don't you ever be ashamed
You're only lonely

You're only lonely
You're only lonely
You're only lonely

When the world is ready to fall on your little shoulders
And when you're feeling lonely and small
You need somebody there to hold you

So don't you ever be ashamed
When you're only lonely
You can call out my name
When you're only lonely

You're only lonely
When you're only lonely
You're only lonely
It's no crime darling, we got lots of time

You're only lonely
You're only lonely
There's nothing wrong with you
Darling, I get lonely too

You're only lonely
You're only lonely
So if you need me, all you gotta do is call me
You're only lonely
