

# Keep On Hoping

Raul Midón

Do you know what it's like to wonder?  
Do you know what it's like to be alone in love  
With the one you adore?  
Do you know what it's like to hold her?  
Do you know what it's like to feel the way I do?  
Well if she only knew

I'm gonna keep on hoping  
She catches my smile  
And I'm gonna keep on hoping  
That she likes my style  
And I'm gonna keep on hoping  
That one day she'll be mine

Did you ever wish you could get away?

And do you know what it's like to want her?  
And to breathe her name  
In every song you sing?  
She is in everything

I'm gonna keep on hoping  
That she catches my smile  
And I'm gonna keep on hoping  
That she likes my style  
And I'm gonna keep on hoping  
That one day she'll be mine

Did you ever wish you could get away,  
Even for a day,  
Where they don't know your name?

Did I ever think I could find someone  
Who would be the one to love?

Do you know what it's like to wonder?  
Yes I know what it's like to feel the way you do  
And this one's for you

I'm gonna keep on hoping  
That she catches your smile  
And I'm gonna keep on hoping  
That she likes your style  
And I'm gonna keep on hoping  
One day you'll find love

That's why I'm gonna keep on kissing  
Her in my dreams  
And I'm gonna keep on  
Waiting for those yellows to change to greens  
And I'm gonna keep on  
Hoping one day she'll be mine

I'm gonna keep on hoping.
