Lord save this burning earth  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah

Talkin' 'bout a revolution  
Talkin' 'bout a new reunion  
Who is bold enough to do it?  
Do you feel the power of music?  
Well I got some news for you, man  
Your so-called constitution  
Will advocate the mass pollution  
To keep us from the evolution  
From the evolution, that's the revolution

Lord save this burning earth  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah  
Lord save this burning earth, aw yeah, yeah, yeah

Tell me who gon' bring upon the fire  
Flames of revolution, King keep on feeding y'all bullshit  
I can do it all within a minute  
Simple-ly to fit in, worried 'bout hit-hit-hit-hits and  
Go and hide along with all the hidden  
Get my gwalla guap and go along with Guadalupe to the hills and  
Tell you all the future is the children  
Please save the children  
With Mr. Officer killin'

Lord save this burning earth, rotting from the inside out  
Blood yet clout and clot the jugular of the insipid mothafucka called "humanity"  
Raping and damaging anything in it's way  
It's daughter will be raised on McDonald's and gasoline water  
Each day now a battle for morals or dollars  
We slaughter for profit, our sons know no father  
The ozone the word that is no longer brought up  
God bless the soul that believes all we need is love  
To stop this bullet train to extinction  
I've been convinced to believe that it's all over  
And as we dance in this burning room  
I can only relax until I'm in the tomb  
Bad vibes and naysayers, to save yourself first  
In this burning earth  
Earth, earth, earth, earth  
Earth, earth, earth, earth  
Earth, earth, earth, earth  
Earth, earth
