

Best Friends

Raven-Symoné

Your my friend...(our friendship will never end,,,)
A friend so true and near to my heart, i'd wish that we would n
ever had to part, but in my heart
we'll always---we made the best of friends
Remembering the day you went away my heart was feeling so much
pain
How I wish you could stay and a race just came in my heart we'l
l always---we made the best of
friends

You know that I am your friend, so let me say it again
It's where it starts, iut never ends, never ends
Don't you know that i'm your friend...
You know that I am your friend, no doubt about it
Our friendship wil never end 'cause your my best friend

All of the fun things we did together, I knew that we'd be frie
nds forever (ever)
But then you had to leave, tell me how could this be my friends
leave me?
They say a true friendship never ends (never ends)
I know it's true 'cause I can't breathe in all of the memories
of you and me annd how we will
always---we made the best of frieeeeendss

You'll always be the special side of me, 'cause your my friend
No matter where you go, I wanna let you know your my friend, yo
u are my friend

You know that I am your friend, so let me say it again
It's where it starts, iut never ends, never ends
Don't you know that i'm your friend...
You know that I am your friend, no doubt about it
Our friendship wil never end 'cause your my best friend

No matter where you go, I just gotta let you know that you will
