

# My Christmas Wish

Raven-Symoné

Its My Christmas Wish  
That You Love Me Too  
I Wanna Spend Everyday With You

Its My Christmas Wish  
That You'll Always Be There  
Cause Without You I Know I'd Be Nowhere

Oh

I've Been Lovin' You For So Long  
Baby I Cant Pretend (ummm)  
These Feelings For You Oh Will Never End (oh)  
Why I Don't Know What I Can Do  
I Can Not Say  
But I Cant Go On Another Day  
Living This Way (hey)

Its My Christmas Wish That You Love Me Too  
I Wanna Spend Everyday With You  
Its My Christmas Wish That You'll Be There  
Without You I Know That I'd Be Nowhere  
My Christmas Wish Your My Christmas Wish

Sometimes Christmas Can Feel Like The Loneliest Times  
Lonely Time Of The Year  
Cause I Can't Have You Baby  
Holding Me / Holding Me Near (oh oh)

Its My Christmas Wish That You Love Me Too  
I Wanna Spend Everyday With You  
Its My Christmas Wish That You'll Be There  
Without You I Know That I'd Be Nowhere  
My Christmas Wish Your My Christmas Wish

And When I Wish Upon My Christmas Star  
My Christmas Wish Will Be To Be Where You Are  
Until I Neal Down And Pray  
That You Will Be Mine On Christmas Day

Its My Christmas Wish That You Love Me Too  
I Wanna Spend Everyday With You  
Its My Christmas Wish That You'll Be There  
Without You I Know That I'd Be Nowhere  
My Christmas Wish Your My Christmas Wish
