Stupid

Raven-Symoné

You got what most dames want (oh oh oh) But it ain't what I came to see (uh huh I know) You don't know bout my game zone (oh oh oh) Time to show this boy a harder me Ay You talking like you know what I Want Before you start pursuing baby Whoa You run girl like a track star But I'm more like a NASCAR Blowin it back at ya Please I knew I wasn't talkin from the Door We were gonna kiss, make my hair twist, have me lookin crazy No This is obviously this is your thing right Trickin' girls to think their the only ones you're feelin right Stupid, stupid I'm not I've been around here baby That means I'm on it And I'm used to sucker boys like you Stupid, stupid I'm not You talk about it baby But when it comes to a real girl wants You just don't know what to do You think you know but you don't (You just don't know what to do) You think you know but you don't (You just don't know what to do) You think you know but you don't (You just don't know what to do) You think you know but you don't (You just don't know what to do) Hey You told my girl that I'm with you Whoa Did you know Veronica had Shown The message that you sent sayin He wanted to be her man and I was never in your plans Please I told you you ain't nothing I Want. So why you keep blowin up my Phone You stuntin' and you poppin' right Do us both a favor and stop callin on a late night Shorty I can change Your whole life in a day I don't even think you know I can do the things Them other boys can't hang I'm everything you want Come on flip the page

Let me show you they can't tame me I can be you baby So tell me why you actin so shady Cause you know damn well you want to be my lady
