

That's So Raven

Raven-Symoné

That's so Raven (future)
That's so Raven (future)
That's so Raven (future)
That's so Raven (let's go)

If you could gaze into the future
You might think life would be a breeze (life is a breeze)
Seeing trouble from a distance (yeah, go rae)
But it's not that easy (oh, no)
I try to save the situation
Then I end up misbehaving (oh, oh, oh)

Hey now, what you say now bout to put it down
Come on and take a ride with Ra now
And the future looks great now
and everything's gonna change now (let's rock)

(let's go) yeah (go Ra) (let's go)
That's so Raven it's the future I can see
That's so Raven so mysterious to me
