

## That's So Raven

Raven-Symoné

That's so Raven (future)  
That's so Raven (future)  
That's so Raven (future)  
That's so Raven (let's go)

If you could gaze into the future  
You might think life would be a breeze (life is a breeze)  
Seeing trouble from a distance (yeah, go rae)  
But it's not that easy (oh, no)  
I try to save the situation  
Then I end up misbehaving (oh, oh, oh)

Hey now, what you say now bout to put it down  
Come on and take a ride with Ra now  
And the future looks great now  
and everything's gonna change now (let's rock)

(let's go) yeah (go Ra) (let's go)  
That's so Raven it's the future I can see  
That's so Raven so mysterious to me
