```
That's so Raven (future)
That's so Raven (future)
That's so Raven (future)
That's so Raven (let's go)
If you could gaze into the future
You might think life would be a breeze (life is a breeze)
Seeing trouble from a distance (yeah, go rae)
But it's not that easy (oh, no)
I try to save the situation
Then I end up misbehaving (oh, oh, oh)
Hey now, what you say now bout to put it down
Come on and take a ride with Ra now
And the future looks great now
and everything's gonna change now (let's rock)
(let's go) yeah (go Ra) (let's go)
That's so Raven it's the future I can see
That's so Raven so mysterious to me
