

## With A Child's Heart

Raven-Symoné

With A Childs Heart  
End Of All Worries Of The Day  
With A Childs Heart  
Turn Each Problem Into Blame  
No Need Worry  
No Need To Fear  
Just Being Alive  
Makes It All So Clear

With A Childs Heart  
(oh yeah)  
Nothing Can Ever Get You Down  
With A Childs Heart  
Theres No Reason To Ever Where A Frown  
Love Ease As Welcome  
As Sunny Sunny Days  
No Will Night Fall To Lead Our Minds Astray

Daylight Peaceful So Peaceful  
Like A Child  
So Peaceful And So Carefree

The Whole World Smilies With You  
Every Imagining Way

(oh oh)

With A Childs Heart  
Nothings Gonna Get Nothings Gonna Get Nothings Gonna Get Me Down

Nothings Gonna Get Nothings Gonna Get Nothings Gonna Get Me Down

Oh Oh Oh

Nothings Gonna Get Nothings Gonna Get Nothings Gonna Get Me Down

Lay Me Down To Sleep  
I Pray My Soul To Keep  
If I Shall Die Before I Wake  
I Pray My Lord My Soul To Take

A Childs Heart Wants Love  
A Childs Heart Needs Love  
A Childs Heart Is Love

Never Let It Go Always Let It Flow

A Childs Heart Wants Love  
A Childs Heart Needs Love  
A Childs Heart Is Love

Never Let It Go Always Let It Flow  
Nothings Gonna Get Me Down

Lay Me Down To Sleep  
I Pray My Soul To Keep  
If I Shall Die Before I Wake

I Pray My Lord My Soul To Take

Oh Oh

I Like Your Smile

Never Gonna Get Never Gonna Get Never Gonna Get Me Down
