

Attitude

Raven

Got nothing to give
nothing to take
everything I am I know
that you'd break
stare into my eyes
and hear what I say
looking for trouble
you found it today

Got my attitude in front of you
got my attitude right in your face
and there's nothing
you can try to do
got my attitude
and you can't hold me down
can't hold me down

I heard the tall tales
I've seen the show
said that they suck
just cos you blow
stood on my two feet
and held my head high
rose out the dirt
and reached for the sky

Got my attitude in front of you
got my attitude right in your face
and there's nothing
you can try to do
got my attitude
and you can't hold me down
can't hold me down

You got your reasons
you got your rhymes
changing them daily
I can't count the times
listen to me and
you'll know who I am
doing it my way because I can

Got my attitude in front of you
got my attitude right in your face
and there's nothing
you can try to do
got my attitude
and you can't hold me down
can't hold me down
can't hold me down
