

Time

Ravenheart

Sometimes I'm waiting
There's nobody with me
I'm sitting on the place here
And you are disappeared

Time where is the time
The time to live and the time to die
Time to grow up
And wash away the tears
Time takes away your fears

Time where is the time
The time to live and the time to die
Time to grow up
And wash away the tears
Time takes away your tears

Time where is the time
The time to live and the time to die
Time to grow up and wash away the tears
Time takes away your fears

Time where is the time
The time to live and the time to die
Time to grow up
And wash away the tears
Time takes away your tears
From your cheek

It's time to wake up
It's time to go back home
I'm so alone now
My soul is bleeding on
