

Welcome to new dimension  
No walls no fences  
A frightened darkness  
Deprive your senses  
Forsaken souls  
Compelled by faith  
To join the game of Love and Hate

I'll never understand why people so different  
Can love each other so much and hate to hurt themselves

For thousand years in a blink of an eye  
They were kept apart that need to die Welcome  
Forsaken souls to new dimension  
Compelled by faith No walls No fences  
To join the game A frightened darkness  
of love and hate

Sorrow fills the void

"I'll never forget the sadness in your eyes  
When you looked at me and heard what you don't deserve  
You always dry my tears  
I'm sorry...I'm so sorry  
You just want to help me...help my mind...  
I love you so much  
And where here together to explain the conspiracy of the signs.  
.."
