

## Orgy In Dog's Blood

Ravenous

Stare into eyes  
Breeding madness  
Disciples worship  
White trash messiah  
Darkness reveals  
Ritual complete  
Unseen hands  
Stained with sin

Addicted to his image  
Unconditional love  
Induced by acid trips  
Orgy in dog's blood

Crimson words  
Upon the wall  
Dead bodies decorate  
Stabbed womb fetus  
Raging twisted thoughts  
A race war to ignite  
Promising salvation  
A paranoid christ
