

## Unite and fight

Rawside

The got no money any more  
just more police, police means war  
they grow the taxes more and more  
so people hate them, hate means war

Unite & fight  
Unite & win  
against this government, the war begins

Not only left wings, who rebel  
but everybody knows it well  
that it is time to face the facts  
against governing scum, fight back

We - Punx and Skins  
we fight back  
we - fight for our right  
we come back
