## A Fool for You

**Ray Charles** 

I know you told me Such a long time ago That you didn't want me You didn't love me no more

I want to know Oh, what makes me be do you believe me child A fool for you Ohoh, no, I'm a fool for you

I know you told me You didn't want me `round And I know You got a man way `cross town

So I know it's something Oh, what makes me be do you believe me child I'm a fool for you Ohoh, no, I'm a fool for you

Did ya ever wake up in the morning Just about the break of day Reach over and feel the pillow Where your baby used to lay Then you put on your crying Like you never cried before Oh lord Yeah you even cry so loud, You give the blues to your neighbor next door Ever since you were five years old I been a fool for you, little girl Way down in my soul I'm a little fool for ya

So I know it's something Oh, oh, Lord I'm a fool for you
