

# A Girl I Used To Know

Ray Charles

There's a picture that I carry  
One we made sometime ago  
When they ask who's in the picture with me  
I say, "Just someone I used to know"

Just someone I used to spend some time with  
Just a flame that's lost its glow  
I don't tell them, how many nights I cry without you  
I say, "Just someone I used to know"

Just someone I used to run around with  
Just a friend from long ago  
But, I don't tell them, how lost I am without you  
I say, "Just someone I used to know"  
I say, "Just someone I used to know"
