BlackJack

Ray Charles

Ah let me tell you people About this blackjack game It's caused me nothing but trouble And I've only myself to blame

Hey hey hey yeah How unlucky can one man be Well every quarter I get Lord, blackjack takes it away from me

My friends don't come around me Because I've been so blind I can't even borrow a nickle Now I've almost lost my mind

Hey hey hey yeah
How unlucky can one man be
Well every quarter I get
Lord, blackjack takes it away from me

I sat there with two tens
I thought I'd have some fun
The dealer hit sixteen with a five
Just enough to make twenty one

Hey hey hey yeah yeah How unlucky can one man be Well every quarter I get Yeah, blackjack takes it away from me
