Ray Charles

Candy  
I call my sugar Candy  
Because I'm sweet on Candy  
And Candy, she's sweet on me (she's sweet on me)

She understands me  
My understanding Candy  
And Candy's always handy  
When I need sympathy (Need sympathy)

Oh, I wish that there were four of her  
So I could love that much, that much more of her  
She has taken my complete heart  
And I've got a sweet tooth for my sweetheart

Candy  
It's gonna be just dandy  
The day I take my Candy  
And make her mine, all mine (make her all mine)

Candy  
It's gonna be just dandy  
The day I take my Candy  
And make her mine, all mine, all mine

The day I take my Candy  
And make her mine, all mine  
(Candy's all mine)
