

# Cherry

Ray Charles

Cherry, Cherry, ain't in a shame  
That you can't be sweet as your name  
Always flirtin', havin' your fun (having your fun)  
Never sayin' if I'm the one (if I'm the one)

But if I am, I'll hang around  
Till you grow up and settle down  
Oh will you (Cherry) while your heart's on a spree  
Cherry, save your loving for me  
(Cherry, I'll get you yet)

Cherry (Cherry) I say Cherry  
Woah, I'll make a bet  
Oh, Cherry, Cherry  
I'll get you yet
