

# Crying Time

Ray Charles

R: Oh, it's crying time again, you're gonna leave me.  
I can see that far away look, in your eyes.  
I can tell by the way you hold me, darling.  
That it won't be long, before it's crying time.

1. Now, they say that absence, makes the heart grow fonder.  
And that tears are only rain to make love grow.  
Well, my love for you could never grow, no stronger.  
If I lived to be a hundred years old.

R: Oh, it's crying time again...

2. Now, you say you've found someone that you love better.  
Well, that's the way it's happened, every time before.  
And as sure as the sun comes up tomorrow,  
crying time will start when you walk out the door.

R: Oh, it's crying time again...
