Do I Ever Cross Your Mind?

Ray Charles

Do I ever cross your mind
Darlin' do you ever see
Some situation somewhere, somehow
Triggers your memory
And do you ever wonder
What became of all the time
And darlin' do I ever, ever cross your mind

Do you ever want to know

If all dreams go on endlessly

Or do they just run down

Somehow and gradually become

The custody of that melancholy jailer father time

And darlin' do I ever, ever cross your mind

Do I ever cross your mind

uninvited - when you're lonely

Or does that only, only happen to me

And don't you ever wonder

What became of all the time

And darlin' do I ever, ever cross your mind

Do I ever cross your mind
Uninvited when you're lonely
Or does that only, only happen to me
And don't you ever wonder
What became of all the time
And darlin' do I ever, ever cross your mind
And darlin' do I ever, ever cross your mind
